01. EMAIL PROMO

This is a promotional email letter that went out to the companies subscribed users. It was the introduction of a new ecologically friendly apparel branch of the company.

02. PERSONAL ILLUSTRATION WEBSITE

This is my personal website that showcases my illustration and concept art for video games. It was designed and coded from scratch. It can be viewed at <http://wsmisch.com>.

03. SUBLIME WATER WEBSITE

This is sample website for an imagined water company. Sublime water is a play on words, where sublime both means excellent, and the process through which the water is purified.

04. WRECKAGE GAME LOGO

This is a logo that was designed for an independent game I worked on, Wreckage. Wreckage is an independent game that is in production for the Unreal 3 game engine.
